### **Year of Establishment**

1993

### **Background**

The YMCA, Young Men's Christian Association, is a Voluntary, International, Christian, Ecumenical movement that strives to reflect the cultural identity of the Nation in which it exists and serves. First started in London by a group of young men, the YMCA concept spread rapidly to every continent of the world. Today, there are YMCAs in 128 countries and they are united under the World Alliance of YMCAs that has its headquarters in Geneva, Switzerland. YMCAs have been established in twenty-seven countries and territories in Asia and Pacific under the umbrella of the Asia and Pacific Alliance of YMCAs, the office of which is located in Hong Kong. The YMCAs in Myanmar started as early as 1897 in Rangoon. As it was started during the British regime, most of the YMCA programs were to serve the British communities. Almost all the leaders at that time were European. The early part of the YMCA movement was based on YMCA traditional programs such as hostel programs, sports and recreation programs and educational programs. Some of the early YMCAs were too much westernized and eventually strayed away from the local communities. One of the local YMCAs was totally disintegrated as it was emphasizing too much on western culture. The hostel programs created a lot of legal problems and could not serve the urban young people as intended. Sports and recreation programs served only a minority. Only people who could afford attended the YMCA educational classes. The National Leadership started around 1940s before independence. The Mandalay YMCA and Taunggyi YMCA were also established. Then Pyin Oo Lwin YMCA and Myitkyina YMCA followed. The National Council of YMCAs was started in 1951 with leaders from Taunggyi, Yangon, Pyin Oo Lwin, Mandalay and Myitkyina.

### **Mission**

1. Working for equal opportunity for both men and women and to work for the development of the whole person in all programs and agendas.
2. Empowering all, especially young people and women to take increased responsibility and assume leadership at all levels and working toward an equitable society.
3. Advocating for and promoting the Right of Women and upholding the Right of Children.
4. Fostering dialogue and partnership between people of different faiths and ideologies and recognizing the cultural identities of people and promoting cultural renewal.
5. Committing to work in solidarity with the poor, dispossessed, uprooted people and oppressed racial, religious and ethnic minorities.

6. Seeking to be mediators and reconcilers in situations of conflict and working for meaningful participation and advancement of people for their own self-determination.

7. Defending God's creation against all that would destroy it and preserving and protecting the earth's resources for coming generations.

### **Vision**

Sustainable Development and Empowerment of Youth. The YMCA envisions a more justice and peaceful world where individual and community development is sustained and youth are empowered to become responsible citizens.

### **Main Goal**

(a) to serve as an organization through which Member Associations can achieve their purpose as a national movement by collective action in a manner which would not be possible through separate actions of the member Associations;

(b) To assist the promotion of Christian principles in social conduct and relations;

(c) To encourage members of the Young Men's Christian Associations to participate loyally in the functions and activities of their respective churches, to bring these churches closer together, and to participate in effort to realize the Church Universal;

(d) To promote the extension of the Young Men's Christian Associations to new fields;

(e) To develop sympathy, understanding, mutual respect and cooperation, nationally and internationally, among all desire to enter the fellowship and activities of the Young Men's Christian Association;

(f) To cooperate with other organizations locally, nationally and internationally, in the service of youth

(g) To maintain the membership of Myanmar in the Asia and Pacific Alliance and World Alliance of the Young Men's Christian Associations;
